

6th International Conference on Data Engineering and
Communication Technology (ICDECT) 2022

12th & 13th AUG, 2022

Organized by

Department of Computer Science and Engineering,
Aditya Engineering College (A)

CALL FOR PAPERS

Special Session on “Emerging Cyber Physical System, Cognitive Radio Networks and Interoperability of Machine Learning Techniques” (CPML)

Session Chair(s): Dr. Santosh Kumar Sharma

United University, Prayagraj (U.P)

sharma.santosh83@gmail.com

Mob- +919703287694, 9621273767

He has obtained M.Tech and Ph.D. from Berhampur University, Odisha. He has around 15 years of teaching and research experience. His area of interest is Data Mining, Network Security & Cryptography, Internet of Things, and Computer networks, Distributed System, Mobile Computing and Machine Learning. He has more than 40 research publications in referred indexed Journals and conference proceedings. In his profile, he has attended many workshops sponsored by IIT and IEEE such as ACM digital library, Springer, IEEE Xplorer etc.

6th International Conference on Data Engineering and
Communication Technology (ICDECT) 2022
12th&13thAUG, 2022
Organized by

Department of Computer Science and Engineering,
Aditya Engineering College (A)

Dr. Bireshwar Dass Mazumdar
United University, Prayagraj(UP),
bireshwardm@gmail.com
Mob: 09307977683

He has obtained Ph.D. from Indian Institute of Technology (BHU) Varanasi. He has around 17 years of teaching and research experience. His area of interest is Artificial Intelligence, Machine Learning, Deep Learning, Business Intelligence, Health computing and Internet of Things. He has more than 50 research publications in referred indexed Journals and conference proceedings.

Dr. Manoj Kumar Pal
United University, Prayagraj (UP),
manojpal.it@gmail.com
Mob: 09935101906

He has obtained his, Ph.D. from Indian Institute of Information Technology, Allahabad. He has more than 5 years teaching and 9 years research experience. His research areas are Application of Numerical Analysis Techniques, Optimization Techniques to improve the Prediction and Automatic Diagnostic Models for Biomedical area. He has published several research papers including IEEE transaction and in conferences.

6th International Conference on Data Engineering and
Communication Technology (ICDECT) 2022

12th&13thAUG, 2022

Organized by

Department of Computer Science and Engineering,
Aditya Engineering College (A)

Topics of Interest:

We invite original (un-published) research contributions based on the above mentioned theme including following topics **but not limited to**:

1. Advanced Machine Learning Algorithms
2. Data breaches in Cloud Computing
3. Security Assessment of IOT based security Technology
4. Deep learning and its Applications in Bioinformatics
5. Data Optimization techniques
6. Non-parametric function mapping in bio-metrics
7. Digital Signal processing and Bioinformatics in Smart Health Monitoring System
8. Disease prediction using Digital image & Signal data
9. Model Specification/Selection/Estimation Techniques
10. Biometrics and Computational Biology
11. Blockchain and Decentralized Systems
12. AI and Cyber Physical System
13. Computer Vision and Augmented Reality
14. Robot Perception and Learning

Please submit your paper (in word /pdf format) at

Email: sharma.santosh@gmail.com, bireshwardm@gmail.com, with Cyber Security and Machine Learning-(CSML) mentioned in the subject line.

For any further queries related to this special session, please contact the session chairs

at: Email ID: sharma.santosh@gmail.com, Mob: 9703287694, 962127376 7
